# IDENTIFYING YOUR BELONGINGS

At **MyCamp**, we value the organisation and safety of all our participants' belongings. In order to avoid loss and to ensure that each participant can easily find his or her belongings, we **recommend labelling all items**.

We recommend using a **fabric pen** or **sticky labels** in the appropriate places. To ensure the effectiveness of this measure, we suggest that all items are labelled at least **24 hours before arrival at MyCamp**.

**Proper identification of your belongings will contribute to a more peaceful and organised experience during your stay.**

# VALUABLE OBJECTS

**MyCamp** strongly advises against **bringing valuables** to camp in order to reduce the risk of **loss, damage or forgetfulness**.

We consider **valuables** to be items such as **jewellery, watches** and other **belongings of great personal or financial importance**.

# LOST ITEMS

**MyCamp is not responsible for items lost or damaged during your stay.**

However, if an item is reported lost, we vow to search for it and if it is found, we'll send it to you by mailpost, with the **shipping costs being borne by the recipient**.

# CHECK IN

**TIMEFRAME:** BETWEEN 2PM AND 6PM

To ensure an organised and smooth process, **check-in** at MyCamp is generally divided between the **5 age groups**, according to the year of birth of each participant.

Upon arrival, parents and participants will be met by a **designated monitor**, who will be **carrying a sign indicating the corresponding year of birth**. This monitor will be responsible for directing each family to the appropriate place for check-in.

**GOODBYE!**

# CHECK OUT

**TIMEFRAME:** BETWEEN 10AM AND 12PM

**Check-out** at MyCamp is an organised moment to ensure that each participant receives all their belongings correctly before they leave. At the end of their stay, campers must go to the designated location where they will receive their previously identified personal belongings.

In addition, if they have **requested the photography service**, they will **collect** and **pay** for the **USB stick containing the photos** of their camping experience.

We ask for everyone's cooperation to ensure that this process runs smoothly and efficiently.
